

## Coursera Capstone Project: The Battle of Neighborhoods

### Introduction/Business Problem

### Project Description:

Many café shops in Taipei are located in the district, so I would like to come up with an analysis on where is the recommended location for café shop expansion. This could give investigator to consider the best location to start their business.

### District Coordinates Data for in Taipei.

District	Latitude	Longitude
Zhongzheng District	25.024056	121.512136
Xinyi District	25.032145	121.591015
